

# SOUTH LYON FIRE DEPARTMENT

## Manual of Procedures 128

### Equipment

---

Issued: April 10, 2018

Revised:

Approved: Chief Robert Vogel

---

#### I. PURPOSE

There shall be guidelines established to cover the use of equipment in order to extend the life of the equipment.

#### II. PROCEDURE

- A. All members shall receive training on department equipment before it's use. Training shall include the manufactures suggested use, cleaning and maintenance.
- B. No member of the department shall remove any piece of equipment from the premises or from any apparatus during a non-authorized activity without the permission of the chief officer.
- C. When a member of the department resigns, is discharged or in any way terminates his/her services with the department, he/she shall surrender to a department chief officer all the property belonging to the fire department.
- D. Any loss of equipment shall be reported to a department chief officer and recorded on the apparatus maintenance form.
